Our first broccoli has been cut, bunched and sold out! We are expecting more to be ready very soon. The warehouse emailed the office some beautiful photos of bunched Italian parsley and dandelion. Assorted melons and summer squash, bunch beets and carrots, new potatoes, red, yellow and white, yellow and green beans, peas-English, sno and snap, green cabbage, kale, lettuces and spinach are being harvested daily.

If you are interested in lot pricing (10 cases or more) just give us a call. A reminder that online payments to Pfenning's Organic Vegetables Inc. can now be made. Thanks for your ongoing support.
