It was great to see so many of our [friends](#) at the Guelph Organic Conference this weekend! Some familiar faces, and some familiar voices that it was nice to put a face to. We sampled 675lbs of carrot [juice](#) – the most common question being, “JUST carrots?”

This was our first conference since the passing of Wilhelm Pfenning – a bittersweet time. He is greatly missed, but we are proud to continue the good work he pioneered so many years ago. He would be happy to know that we at the farm are the proud recipients of the Outstanding Supplier award, from the Organic Council of Ontario. It is interesting to walk around [the tradeshow](#) and see what people have to offer. It’s a wonderful reminder that we are all in this together, and we all have a valuable role to play! We are making a difference, a bit at a time. Cheers everyone!
